Japanese for Young People is a three-level series designed for junior high school and high school students, with an optional starter level for elementary students. With an emphasis on the coordination of structure and verbal communication skills, this program builds upon the basics of Japanese grammar through the use of key sentences, dialogues, exercises and entertaining activities. Workbooks contain hundreds of exercises and games to help with the written language, while CDs provide natural, native Japanese.

Japanese for Young People provides the perfect foundation for learning one of the world's most difficult languages.
